Break for Bible Conference

BJU takes a week from classes; faculty recall memorable sermons

JONATHAN BROWN

Every spring since 1928, BJU has held Bible Conference, a week that faculty, staff and students can devote to hearing the Bible preached. A longstanding tradition, Bible Conference provides memories as well as expectations. This year's Bible Conference will be held March 22 through March 27.

Several faculty members shared their memories of influential Bible Conference sermons. Dr. Bruce Rose remembered a sermon by Dr. Rod Bell on Philippians 3:10 about knowing Christ and the power of His resurrection.

The most influential sermon for Dr. Dan Olinger was one preached by Dr. Charles Smith.

The sermon was a biographical message on the prophet Balaam. The application was that anyone who knows the will of God and does not do it is crazy, according to II Peter 2:16. Though it was nearly 30 years ago, Dr. Olinger said this sermon has stuck with him. Dr. Olinger also said, "I always loved to hear Dr. Ian

Dr. Ted Miller specifically recalled a sermon by Dr. Paisley on Christ being the wisdom of God from I Cor. 1:24. "I always remember how Paisley prayed before he began preaching," Dr. Miller said. Every time before he preaches, Dr. Paisley prays, "I take the Promised Holy Ghost, the Blessed power of Pentecost to fill me to the

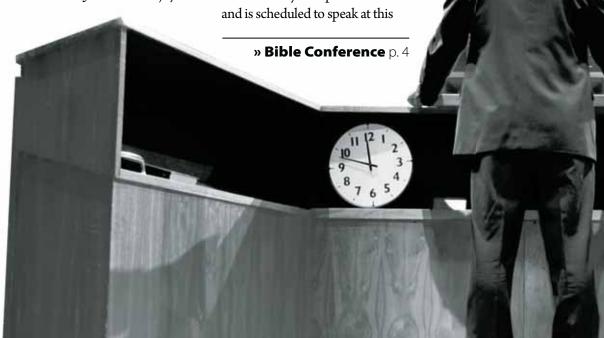

Paisley."

uttermost, I take, thank God He undertakes for me, and the people of God said, 'Amen!'"

Dr. Don Jacobs also enjoyed

hearing Dr. Paisley speak. "His powerful preaching always convicted me," he said.

Dr. Paisley last spoke in 2006

BASKETBALL CHAMPIONSHIP

The men's basketball championship will be held at 8 p.m. today in the Davis Field House.

MEN'S SOFTBALL

The men's softball season, which is twice the length of last year's, will begin Saturday at 10 a.m. To view the season's full schedule, go to "Sports Schedules" under "Life at BJU" on the intranet.

CONCERT BAND

The concert band will play a program of light classics, marches and music from Broadway musicals at 3:30 p.m. Tuesday in Stratton Hall.

FOUNDATION BRASS

BJU's brass faculty and upperlevel brass students will perform Thursday at 11:30 a.m. in the Student Center Mall.

BJU Press to highlight new releases

KALYN KINOMOTO

BJU Press will host two events Tuesday and Wednesday after the evening Bible Conference services to promote the newest products from ShowForth and Sound-Forth.

SHOWFORTH

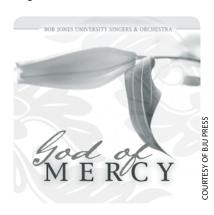

ShowForth will show its newest documentary, "The Great Awakening," Tuesday at 9 p.m. in Stratton Hall. The documentary is 35 minutes long, and will be shown in high-definition, 5.1 surround sound.

"The Great Awakening," a historical documentary about the spiritual revival in 18th-century colonial America, premiered back in November and has been received well since its release.

Mr. Dave Eoute, media productions manager, encouraged

the university family to attend the showing on Tuesday and said the documentary reveals continuous layers of information that will keep viewers' minds engaged.

The overall message correlates well with the current state of our nation and our need for revival. "[The documentary] presents a historical reflection on what God did in the years past and gives us hope and a real direction of what

Selections from SoundForth's new CD will be performed live on Wednesday. to pray for in the days to come," Mr. Eoute said.

Mr. Eoute said his prayer is that this documentary will be a seed that will start a revival in individual hearts, and will encourage others to reflect on how God impacted us before we were a nation.

SOUNDFORTH

SoundForth will premiere its newest CD, "God of Mercy," with a concert in the FMA Wednesday immediately following the evening service.

Every year, SoundForth releases a new CD and presents a live concert featuring select songs from the recording. This year's CD will feature a variety of familiar songs as well as several new arrangements. The theme of the CD is the mercy of God—reflected in salvation and in daily life.

Dr. Richard Nichols, senior manager at SoundForth, said the last song on the CD, "There Is a Fountain," arranged by Dr. Dan Forrest, is very uplifting and ends the CD with the powerful statement: "I will sing Thy power to

save!"

Dr. Nichols said the experience at the live concert is different than just listening to the recording. "When you go to a live concert, there's a level of energy and a personal contact with the music, and seeing live performers perform," he said.

The Bob Jones University Singers and Orchestra is comprised of students, both undergraduate and graduate, as well as faculty and staff members.

BIBLE CONFERENCE SPECIALS

Both "The Great Awakening" and "God of Mercy" are available for purchase at Bible Conference discounts.

"The Great Awakening" will be on sale for 25 percent off the retail price at the Campus Store and the Educator's Marketplace for the week of Bible Conference.

"God of Mercy" will be available for \$12 immediately after the concert in the lobby of the FMA. After Wednesday, it will be sold at the regular price of \$15.95.

Gold Rush Daze: memories in verse

That day Dr. Steve yanked off his blue tie, I thought to myself, "Is he that kind of guy?!" As the audience applauded and gazed in wonder, Dr. Steven explained he was not on Blue Thunder.

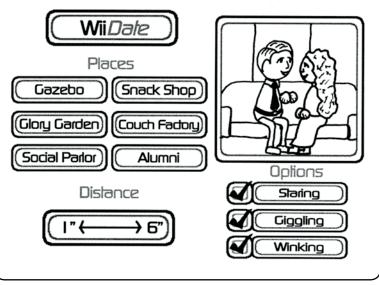

Because Gold Rush storms once every four years, I bought all the face paint from Atlanta to Greer. I ate breakfast in bed and was pumped for some fun; I charged to the fields: the parades had begun!

The Chick-fil-A cow, the Crocketts' Caramello and Chip, Spooked horses, Santa and Flash's back flips, The ushers, a crane and the "Charlie Brown" cast— Both Red and Blue thundered as the parade went past.

When the games had begun, a little man who was bald Announced to the crowd—and we were appalled— Blue broke the rules! That made Red mad! And as Olinger said, "Blue had been BAD!"

We caught Bob the Bobcat and kisses on tape. Our teachers played WiiFat and were all out of shape. We got a new 'do and "spotted" tots at Bo-Jonics; Dr. Steven thought Wii should replace "Hooked on Phonics."

I bought all the aloe from here to Atlanta; My neck, arms and nose were redder than Santa. For Gold Rush Daze, only one team could win: Red Lightning had struck—its mark scorched my skin.

DR. JONES' WIIJU INITIATIVE'S PHASE 2 INCLUDES THE NEW WIIDATE SOFTWARE FOR STUDENTS

dark and mysterious.

What animal would you compare yourself to and why?

Rob

like a Michael Vick dogfight in your throat. But it's legal. Students begin playing "chubby bunny" with cough drops. The Campus Store strategically places all of its cough syrup and

The orange juice machine in

the dining common stops working.

The Death Cough: it sounds just

This is bad.

The dining common makes you get all of your meals in take-out trays. This is very bad.

cough drops by its front doors.

Your roommate receives a ton of nightmail from people you've never heard of containing medicine you've never heard of.

Girls rush to Barge with the sniffles—and they bring all 17 girls from their prayer group with them.

Parents of sick students begin purchasing stock in Nyquil, Halls, Robitussin, Sudafed and Tylenol.

A conversation with a Death Plague victim sounds like this:

You: "Hey, I missed Civ on Monday. Could I get your notes?"

Death Plague Victim, whose one-track mind is focused only on feeling better: "Barge Barge Barge Barge homework (we've got to remain reasonable, of course) Barge Barge Barge Barge."

You: "Oh. OK. Umm, yeah, about those Civ notes..."

Chapel is canceled. You should probably hide in your barrels now.

The dining common blows up. You can decide.

Well, my roommate beat the Death Plague, but I was not so fortunate. For one straight week, I chugged gallons of Nyquil. I rushed Barge. I skipped classes (and I didn't even have a verses test). But if you see me on the sidewalk, don't worry—I'm feeling so much bett...*cough*...Barge Barge Barge Barge Barge.

JOSHUA PRIVETT

The other day, I found my roommate Camas face-down on the floor, his chair tipped over, his hands squished beneath his stomach.

Of course, I was greatly concerned. So I stepped over his lifeless body to check my e-mail and asked if he were OK. He didn't respond. And then my Internet crashed. Boo!

He began coughing with space shuttle-esque speeds. Only with more germs and fewer space shuttles and astronauts—but he was definitely sending things into orbit. Then he rolled over, and he said (I kid you not), "Erghughhhhhhh." I knew what that meant:

The Death Plague had attacked. And my room was its target. And I wept.

Though the common cold—a removed third cousin of the Death Plague—is caused by the rhinovirus (this is the truth), the Death Plague itself contains a special virus that targets college students called the completely-forget-all-your-Civterms virus. Or the 1,000-poundeyelids-during-chapel virus.

But you can easily avoid the Death Plague. Just avoid all humans. And cease breathing. And always have 23 cough drops in your mouth. Or just watch for the symptoms:

> Siberian tiger because they're on top of the game, they're in charge of the jungle and they're really cool.

Former Dr Pepper employee traces God's leading

CRISTIE FOX

As former senior vice president of finance for the Dr Pepper Corporation, in the eyes of the world, accounting faculty member Mr. Mike Buiter has climbed the corporate ladder of success. However, Mr. Buiter says he values something worth more than money: He wants to live a life that pleases God.

Growing up in Chicago, Mr. Buiter attended Oak Forest Baptist Temple, where he was closely connected. His pastor told him about BJU, and soon Mr. Buiter headed to school here to study accounting. At BJU, he met Mr. Jim Martin, an accounting teacher who Mr. Buiter said was a mentor to him. "God used him to give me the early signal that maybe someday I would return to BJ," Mr. Buiter said.

Fast forward four years—the day after graduation at BJU, Mr. Buiter and his fiancée were married in War Memorial Chapel. He had also signed on to a successful corporation, PricewaterhouseCoopers. Though he worked there for four years, Mr. Buiter had a drive to work for the Dr Pepper Corporation. "The company was large enough to be included in the Fortune 500, but was small enough where an individual could make a difference," he said.

Mr. Buiter called the Dr Pepper Corporation and asked to work for them. However, he said Dr Pepper wouldn't hire him because he lacked experience in international accounting.

Mr. Buiter pressed on. He worked at Zales Diamond Corp. for two years, gaining experience in international reporting. "After two years I called up Dr Pepper and said, 'I have the experience now; I would like you to hire me," Mr. Buiter said, "and they did."

Mr. Buiter said he loved working for the Dr Pepper Corporation. "They were very good people, and it's a very fun product," he said. "The place was filled with talented and hard-working folks who enjoyed promoting the Dr Pepper brand."

He worked his way up to senior vice president of finance. Eventually the Dr Pepper Corporation and Cadbury Company (the chocolate eggs we eat at Easter) merged, and Mr. Buiter was sent to London.

Before making a complete transfer to London, Mr. Buiter spoke with Dr. Bob III. "I was concerned there were no good churches in London for my wife and children," Mr. Buiter said. Dr. Bob invited Mr. Buiter to work at the BJU Press. He agreed, but still felt God may eventually want him to teach at BJU, a desire he had ever since sitting under the teaching of Mr. Martin.

Leaving a successful career with Dr Pepper, Mr. Buiter returned to BJU and continued to work at the BJU Press for four years. Then Mr. Buiter was asked to teach in the School of Business. It was then that his long-time mentor and friend, Mr. Martin, became

BRENNA SMITH

BJU graduate and attorney Daniel Hicks will present an estate planning seminar Thursday, March 26, at 2 p.m. in the Edwards Conference Room of the Student Center.

The seminar, hosted by the Office of Advancement, will help those interested in receiving valuable tips, guidelines and strategies on how to protect their estates from unnecessary taxes, plan for the future and support the causes they value.

"Daniel will show how people of any age can create a workable estate strategy," said Mr. Jeff Hargraves, chief constituency relations officer. "We encourage everyone, from University students to those past retirement age, to attend as a means of initiating—or further developing—their legacies."

The seminar will last approximately one hour, and Mr. Hicks will be available after the session for individual consultations. For more information, please contact the Office of Advancement at (864) 242-5100, ext. 1777.

Mr. Mike Buiter poses with his 2008 Corvette, which is well known on campus.

It's another Monday night at the dining common and you're not sure what you want to eat. Then you notice someone in the line take an extra amount of salsa. Curiously, you follow him to the salad bar and see him mix shredded cheese in with the salsa, then proceed to the microwave where he nukes it for a few seconds and—voila! He pulls out a delicious looking dish, and you realize you've just discovered the next best thing in your dining common life.

Loaded Baked Potato: Take a baked potato and add toppings from the salad bar, such as bacon bits, green peppers, tomatoes or onions.

Nachos: Add shredded cheese to tortilla chips and microwave for 40 to 50 seconds, or melt cheese and salsa for a dip.

Pizza Casserole: Mix olives, salami, tomatoes and rice. Then melt pepperjack cheese over it for about thirty seconds. Enjoy!

Pink Drink: Needs French vanilla creamer, cranberry cocktail juice and Sierra Mist. Put some French vanilla creamer into a cup. Then fill the glass with cranberry cocktail juice up to the bottom "curve" of the glass. Top it off with a bit of Sierra Mist. On Sundays, add strawberry ice cream in order to give it an extra creamy taste. Watch out for the foam though!

Dining Common SoBe: Recipe calls for one packet of Splenda, 1/3 cup of water, 1/3 cup skim milk and 1/3 cup cranberry juice. Mix them all together and it tastes just like a SoBe drink.

Dining Common Mocha: Dissolve two to three packets of instant coffee in a cup of hot chocolate.

Those are just a few suggestions to make dining common meals a little different—what will you think of?

« Bible Conference p. 1

year's conference. Although scheduled to speak in 2007 and 2008, his political responsibilities as First Minister of Northern Ireland and leader of Northern Ireland's Democratic Unionist Party prevented him from attending.

This year's speaker schedule includes Dr. Bob Jones III, chancellor of BJU; Dr. John Hartog III of Faith Baptist College & Theological Seminary in Ankeny, Iowa; Dr. John Lewis of Faith Baptist Church in Davison, Mich.; Dr. Douglas McLachlan and Dr. Les Ollila of Northland Baptist Bible College in Dunbar, Wis.; Dr. Ian Paisley of Martyrs Memorial Free Presbyterian Church in Belfast, Northern Ireland; Dr. Clarence Sexton of Temple Baptist Church in Powell, Tenn.; Dr. Bob Shelton, an evangelist; and Dr. Royce Short, dean of the School of Religion at BJU.

Dr. Bob will preach the open-

ing message on Sunday morning, and Dr. Paisley will preach the final message on Friday evening. There will be a morning, afternoon and evening service every day except Thursday, when there will not be an afternoon service.

At one time, Bible Conference went from Sunday through Saturday with four services each day as well as a morning prayer meeting. Dr. Tammie Jacobs said the positive thing about this schedule was she was able to hear more speak-

ers. But she said by the week's end, everyone was worn out.

The offering for Bible Conference also brought back many memories for the faculty. Some faculty members recalled a time when the ushers' girlfriends took the offering. Dr. Don Jacobs remembered when the ushers lowered Dr. Bob Jr.'s podium after he criticized the ushers for being too slow. Many students will remember what happened when Dr. Stephen Jones criticized the ushers for the same thing, and they came running down the aisle in sneakers.

Offerings have provided campus with renovations, improve-

ments and new buildings throughout the years. This year's offering is going toward the completion of the Rodeheaver project.

Students expressed anticipation for Bible Conference. Junior Caitlyn Vick said, "I'm looking forward to the different things the Lord is going to teach me."

Sophomore Timothy Green looks forward to the change of pace. He is excited that Bible Conference will lift some school pressures and allow him to focus solely on the messages.

Junior Rachel Sheys said, "It's always not as relaxing as I anticipate, but it's a good change of page"

SPORTS&HEALTH

Win streak snapped, Beta falls to Sigma in playoffs

ANDREW HARROD

Beta Gamma sought to extend its 34-game win streak against Sigma in last Saturday night's National League semi-final. Many believed the playoffs were just a formality for Beta, and that they would claim a third consecutive basketball championship.

Sigma apparently didn't receive the memo. Sigma shocked Beta with a 72-70 victory to reach the National League Championship.

From the tip, the Spartans jumped out to an early lead. Sigma played to its strength by working the ball down low to Dave Peterson, who led all scorers with 23 points.

Five minutes into the game Beta found itself down 13-7. Sigma worked the ball well on offense, and more importantly did not make turnovers. Despite playing well, Sigma picked up a number of early fouls. Zack Scott was a victim of two early fouls, and he found himself on the bench a majority of the first half.

As the first half progressed, Beta slowly gained momentum. By double-teaming Dave Peterson, Beta created turnovers because Sigma tried to force passes inside.

With the increased turnovers, Beta was able to deposit fast-break points and even the score. Down the stretch in the first half, Kyle McVey put in seven of his team-high 22 points, giving Beta a 42-40 lead at halftime.

It appeared the game would be a tale of two halves, with Sigma dominating play in the first half and Beta pulling away in the second half.

Beta's Brett Smith and Kyle McVey got their team off to the right start, leading a 13-5 run to put Beta up by 10. Even though Sigma fell behind, the Spartans managed to hang in the game.

The last two minutes proved to be the most important minutes of the game.

Beta led 65-62. With a minute and 59 seconds left, Sigma's Jon Washburn hit a huge 3-pointer to even the score at

On Sigma's ensuing possession, Zack Scott hit another 3-pointer to give the Spartans the lead.

Beta's Kyle McVey then made a tough jumper to bring the Patriots within one point.

After a Beta foul, Sigma's Tim Fortney went to the foul

Patriots' Jon Grant walks off the court as Sigma celebrates in the background.

line to shoot the one-and-one. Tim hit both his foul shots to extend the Spartan lead to 3.

Beta failed to score on its next possession, and another foul sent Tim Fortney back to the foul line.

Again, Tim came through in the clutch and made both free

Is God calling you to join our team?

throws to put Sigma ahead by 5.

Beta's Micah Wright hit a 3-pointer at the buzzer, but it was too late.

Charging onto the court, Sigma and its fans celebrated the biggest upset of the year, ending Beta's 34-game win streak with the 72-70 victory.

Bulldogs' comeback halted, Omega holds on to victory

BEN OWEN

The Alpha Omega Lions survived a close game to oust the Phi Beta Bulldogs 65-59 in the first round of the National League playoffs.

Zach Roschi, Justin Almas and Eric Kittrell scored 20, 18 and 16 points respectively for Omega, accounting for all but 11 of the team's 65 points.

Omega never trailed in the first half, but midrange jumpers from Zach Sparkman and Jordan Moody kept Phi Beta within striking distance.

Zach Roschi scored 10 points in a nine-minute stretch to give Omega a 26-15 lead with four minutes remaining in the opening period. However, Phi Beta closed the half with an 8-3 run to close the gap to six points going into halftime.

Omega guard Adam Lowe pointed out his team's offensive struggles in the first half, but credited the defense for keeping Omega ahead. Omega's perimeter defense held Phi Beta's guards to only four points in the first half.

Matt Hicks, Jordan Moody and Zach Sparkman came out strong for Phi Beta early in the second half and closed the gap to 43-37 with 15 minutes left in the game.

Phi Beta point guard Matt Hicks then picked up his third foul and was taken out of the game. Omega took advantage of Matt's absence and went on a 9-0 run over the next four minutes to grab its largest lead of the game at 52-37.

Zach Roschi, who scored 10 points in the second half, stayed in the game after picking up his fourth personal foul with five minutes left in the contest. "I knew I needed to stay on the floor," Zach said. "I tried to play as good of defense as I could without fouling."

Phi Beta's Ken Troutman and Jordan Fretz hit

Phi Beta's Jordan Fretz takes the ball to the hoop for a layup.

shots to help Phi Beta to close the gap to three points with less than a minute in the game, but Justin Almas hit his foul shots and scored the last five points of the game to seal the victory for Omega.

Justin, who dished out 11 assists to go along with his 18 points, said that his team came out lethargic in the first half, but was able to play with more intensity in the second half. "We just came out slow," Justin said. "We started to push the ball more in the second half, which got our tempo up and gave us control of the momentum."

Classics win soccer crown 2-1

MELISSA AFABLE

The Pi Delta Classics claimed the 2009 women's soccer championship after defeating the Beta Epsilon Cardinals Friday night in an intense 2-1 match.

Pi Delta's win ended Beta Epsilon's attempt to sweep women's major sports this year.

The Classics have won three soccer championships in the last five years.

Beta Epsilon started the game with a bang, as Cardinal Cher Douglass sent the ball into the net in the first minute of play.

Energized by the early goal, Cardinal strikers launched a round of attacks on the Classics' goal. Cardinals Bobbi Frank and Shelly Barclay sent passes to each other with excellent control and nearly added a second goal to the scoreboard.

Pi Delta fought back with a quick rally. Classics' Hattie Bopp found an open shot and fired the ball just beyond Cardinals' goalkeeper Katie Gibson's reach.

"That first goal they put in took us off guard, but we regrouped and kicked the ball back in the net," Classics' coach Alyssa Woodhall said.

Eager to break the tie, Cardinal Maria Estrella shot 10 feet in front of the goal. The ball missed the goal by inches and deflected off the crossbar, ending the first half at 1-1.

The second half began with a continued strong Cardinal offense. As Cardinal forwards attacked the goal, Classic defenders gathered around keeper Emily Miller and were able to prevent a repeat of the first half.

The next few minutes resulted in a constant back-and-forth volley, both teams exhibiting equal talent and an identical desire to

Classics' Hattie Bopp weaved through the Cardinal defense and sent the ball into the left corner, breaking the tie.

In response to the goal, Cardinal Maria Estrella took a shot ten feet in front of the halfway line, but Classics' goalkeeper Emily Miller snatched it just in time.

In the last minute, the Cardinals surrounded the Classics' goal, hoping to bring the game to overtime. Cardinal Cher Douglass headed the ball towards the net, but the shot was stopped, ending the game at 2-1.

Classics' coach Alyssa Woodhall praised her team's hard work. "The team as a whole came together," Alyssa said. "We did what we came to do, and we got the victory. It was nice to win

The Pi Delta Classics celebrate back-to-back soccer championships, with a 2-1 victory.

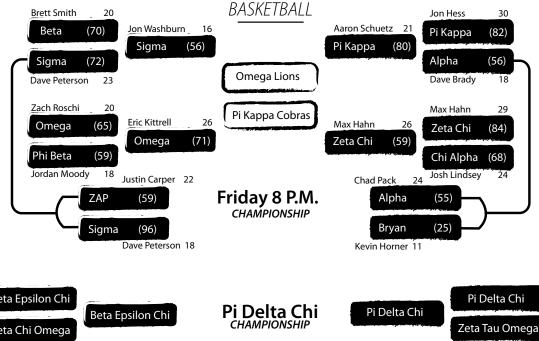

one this year."

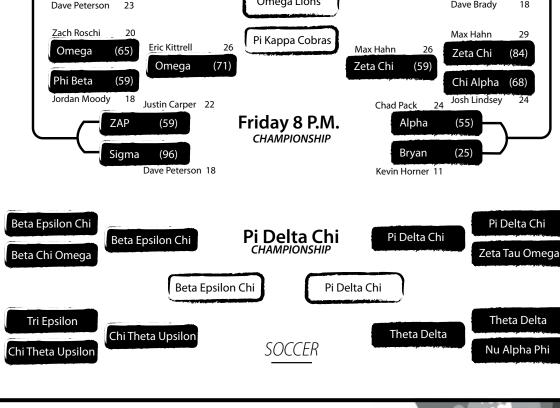

Cardinal coach Kara Leatherwood said the absence of three players, including her regular keeper, was her team's biggest challenge. "Katie Gibson stepped in and did an amazing job, but everyone playing out of their regular positions threw us off a

little," she said.

Classics' Hattie Bopp said determination helped her team win.

"Before the game started, [we knew] we had to be in this game mentally and play our hardest, the way we know how," she said. "It took us awhile to get started, but I think we pulled it off."

Zeta Chi advances

SARAH CENTERS

The Zeta Chi Tornadoes defeated the Chi Alpha Cavaliers 84-68. The win allowed the American League's No. 2 seeded team to advance to the AL championship game against the No. 1 Pi Kappa Cobras Tuesday.

The first half was evenly matched, with Chi Alpha holding a slim lead in the first minutes.

Forward Josh Lindsey put nine of Chi Alpha's first 13 points on the board, two off dramatic steals that gave the Cavaliers momentum for the half.

Josh's points and those of other Cavs were easily countered by the combined 26 first-half points of Max Hahn and Stephen Yates.

The half ended with a key 3-point shot by Z's Ransom Love, breaking the tie game to give Z a 37-31 lead at the half.

The dynamic duo of Max Hahn and Stephen Yates continued to dominate for Z in the second half. Scoring 26 points from the floor and 3 from the free-throw line, Max carried the scoring load for the post position.

Guard Stephen Yates led the scoring on the outside with 20 points from the floor and four free throws. Small forward Ransom Love added two 3-pointers.

Max's last points from a twohanded dunk took Z to a 72-53 lead with seven minutes left.

The Tornadoes' tight man-toman defense forced the Cavaliers to turn over the ball, giving the Tornadoes plenty of fast-break opportunities.

The Cavs reverted to sloppy defensive actions, giving the Tornadoes 16 free-throw shots in the second half. The Tornadoes made 14 of those shots, whirling away to a comfortable—but hardfought—84-68 win.
